

# Dr. Gertraud Kinne

## Our topic

The German labour market offers a range of career opportunities for international experts and qualified professionals from abroad.

Have you recently arrived in Germany? Are you coping with culture shock or other intercultural challenges?

Intercultural competence is a key qualification for your success in Germany.

My cross-cultural training and coaching provides international experts and qualified professionals with the necessary intercultural competence skills.

**Cross-cultural Training,  
Coaching and Education**

Cross-cultural training and coaching  
for international professionals  
and German companies

**Your expert: Dr. Gertraud Kinne**

I am a trained psychologist (Ph.D.) and certified cross-cultural trainer with international experiences.

My flexible and effective cross-cultural trainings, coaching and seminars provide you with information about attitudes and behaviors of other cultures as well as enable you to enhance your intercultural competence skills and to use cross-cultural potentials as a resource.

Moreover, my customers value the high level of expertise and personal support they receive in the training.

I am glad to offer site-independent cross-cultural e-training, e-seminars and e-coaching as well, which can be used at whatever time and location you choose.
